

Oadby Community Stakeholders

February 2006

Dear

With the aim of fostering coherent and integrated community life for the rich, diverse community of Oadby, a Stakeholders' Forum has been developed over the last two years. Its purpose is to nurture a cohesive community life which reflects the multicultural and multi-faith dimensions of modern Oadby and which enables the wider community to flourish.

A formal constitution has been adopted, officers appointed and a bank account in the name of 'Oadby Stakeholders' Forum ' has been opened. A copy of the full constitution is enclosed.

The purpose of this letter is to invite you/your organisation to become a full member of the Stakeholders' FORUM for a nominal membership fee of £10 per annum. This gives voting rights when a formal vote is necessary and the right to be nominated as a member of the Executive. Non-members interested in community development will always be welcome at meetings with full freedom to participate in discussions but will only receive notice of meetings and minutes via email.

The agendas for the meetings will be formed under the general terms of reference. See attached.

Please complete the form below and return to Oadby Stakeholders Forum, Beauchamp College, Ridgeway, Oadby, Leicester LE2 5TP

Yours sincerely

Robert Mitchell
Chairperson

.....

Name of Organisation.

We wish/ do not wish to become a voting member of Oadby Stakeholders Forum
